Color is delivered in the following packaging

Item no.	TA-CCR0010 (Red 10 liter)
Item no.	TA-CCB0010 (Blue 10 liter)
Item no.	TA-CCR0200 (Red 200 liter)
Item no.	TA-CCB0200 (Blue 200 liter)

### Information

- Since the marking paint cleans the system, make sure to check the strainer, injector and tank before use and if necessary cleaned/replaced.
- All technical values are based on average measurement results.
- We are not responsible for damages caused by improper use/handling of the product.
- The product is made from natural raw materials, which makes it completely biodegradable.
