

# PLANER TABLE

**COBIOLUBE®**

PROFESSIONAL HIGH-TECH  
**PLANER TABLE LUBRICATION**

Cobiolube® Planer Table is a lubricant specially developed for planer tables and similar applications. When planing, the cleanness of the planing Table is an important factor to reach good results.

We have developed a product that will help you have low friction and at the same time keep the planer table clean.

The product can be used for both automatic and manual application.

#### Properties of Cobiolube® Planer Table

- Low friction
- Non-flammable substance
- Keeps planer table and lubrication system clean from dirt, grease, dust, glue etc.
- Protects against corrosion and rust
